Parent Communication 22.11.24

Dear Parents/ Carers,

It has been another busy week at SAIL – with lots going on, some great learning and we have even had some snow!

Snow Plan

Yesterday a letter was sent out to everyone via Arbor and additional hard copies given directly to students about our bad weather plan and what the process of communication will be in the event of bad weather that impacts on our capacity to open the school. Please ensure you are fully aware of what has been set out in it.

Parents' evening – Thursday 28th November

As mentioned on previous communications we have a face-to-face parents' / carer evening on Thursday 28th November, next week. This will take place between 4.00pm and 6.30pm – and will be the opportunity for parents/ carers to come into school and meet either their child's class teacher (primary/ Inspire) or their child's tutor (secondary).

We will also use this opportunity for parents to visit and tour the school, and see where your children are learning every day, where you would like to do so and the SLT will also be on hand to talk through anything you may want to raise.

Details on how to book have been sent out today in a separate communication. If you have any queries, please call the office.

FUEL – Free Holiday, Activity and Food Program (a Wiltshire service)

The FUEL programme is a bespoke provision for school aged children from reception to year 11 who receive benefit related free school meals.

Benefits-related free school meals (FSM) are available to pupils if their parents are in receipt of one of the qualifying benefits, and have a claim verified by their school or local authority.

Please use the link below to check if your child is eligible and then apply using the link under the red subheading on the Right Choice page

Food bank collection

Thank you to those of you who have been sending in food for the Salisbury food bank over the last three weeks. We have now finished collecting.

Nut allergy reminder

Just a reminder that we are a completely nut free school. Please ensure you are not sending your child in with any items containing nuts, or traces of nuts, as we do have several people with nut allergies.
